Get your priorities into order.
You won't get your students to your content without going through successful pedagogy.
The assessment should be the last of your worries and will be easy if your target has students at its core.

**WHAT'S THEIR NAME?
WHEN DO THEY WORK BETTER?
WHAT'S GOING ON OUTSIDE SCHOOL?
WHICH SUBJECTS ARE THEIR STRENGTHS / WEAKNESSES?**

**WHAT ARE MY TEACHING OPTIONS?
WHAT ARE OTHER TEACHERS DOING IN CLASS?
WOULD I LIKE TO BE IN MY CLASS?
HOW DO I KNOW THIS ACTIVITY IS WORKING FOR ALL?**

**WHAT'S CURRENT IN MY SUBJECT?
HOW DOES IT LINK TO THEIR CULTURE?
HOW DOES IT LINK TO THEIR OTHER SUBJECTS?
HOW WILL THIS SUBJECT BE RELEVANT IN 2020?**

**DOES THE ASSESSMENT MATCH THE SUBJECT?
DOES IT SUIT THE STUDENTS?
IS THE ASSESSMENT ENGAGING?
IS THE ASSESSMENT TRANSPARENT?**
